NEW SOCIETY PRESENTATIONS

In recent weeks the Society has selected an alternative method of delivering regular presentations to members. All members and guests can now join from any location.

From 1 June 2020 speaker presentations will be provided monthly using the internet. Dates are provided below.

This Program will run in parallel with the physical attendance meetings traditionally conducted in Perth, Melbourne and Canberra. Chapter Presidents will advise members in their states of EVENT details.

The new Program examines a wide variety of subjects with speakers using graphics to enhance their presentation. Question time is provided. It is the next best thing to being there!

To participate you require either a computer, tablet or smart phone.

There are various options for joining a Zoom meeting but the simplest is to click on the link included with the invitation e-mail just prior to the meeting starting time. You then download and run Zoom and click on join meeting.

Your invitation will be e-mailed from the Society one week before each meeting

Additional guidance is available through the Zoom Help Centre.
